

# STEALTH™ LSO

Prefabricated Spinal

**LSO REHAB** (2 & 4 straps) PDAC APPROVED L0627 Custom Fitted • L0642 OTS

**LSO PRO** (2 & 4 straps) PDAC APPROVED L0631 Custom Fitted • L0648 OTS

Easy to put on, easy to take off - the Stealth is our most popular anterior opening soft brace and a true revolutionary 3-in-1 brace. Our unique polymer closure straps allow for precise compression and increased spinal support. The Stealth comes with various plastic panels that can be customized for all stages of your patient's therapy, which means optimal spinal control and patient compliance.
